LAB Approves Site For Sanitary Landfill

The Local Authorities Board has ruled in favor of the Town of St. Albert in the matter studied before a public hearing last year regarding the question of a sanitary landfill site.

In June of 1972 the Town of St. Albert made application to the Local Authorities Board for approval to the town acquiring about 10 acres of land located in the Municipal District of Sturgeon about one mile south-west of town and referred to as the Alfalfa Plant area. Original request by the town to acquire this land from the MD of Sturgeon had been refused after the municipal district held

a hearing with its ratepayers whose lands are located in the proposed landfill site area. In view of the opposition the MD received from its ratepayers, the town's request was turned down, which left St. Albert town council no alternative but to appeal to the LAB for a ruling.

After the LAB heard testimony from all parties concerned, the issue was weighed for several months until the order of approval was released last week opening the way for St. Albert to open negotiations for the acquisition of the proposed site for a sanitary landfill.

Witnesses at the hearing who testified against the proposal of St. Albert establishing a sanitary landfill operation on the Alfalfa Plant lands centered their protest on several main points. The main one was fear that such an operation would pollute the water supply in the area while another important issue was the dread of offensive odors generated by such an operation. Other points brought out was the expected devaluation of adjacent lands, the stigma such an operation would bring upon the Golden West Golf and Country Club lying nearby and the general

Mrs. Evelyn Unger, flanked by MLA Ken Paproski, left and the Hon. Horst Schmid, at the head table on the occasion of the 10th anniversary dinner of the Evelyn Unger School on March 7. "It was a wonderful and exciting evening - I've lost my tongue for the first time in my life," she told the gathering of 300 at the Alberta Room of The Chateau Lacombe. So I'll just say - "Let's keep going and help these kids."

Struggle and achievement - story of Unger School told at Anniversary

The almost 300 people who heard Mrs. D. M. Jardine's keynote address to the 10th anniversary commemorative dinner of the Evelyn Unger School could not fail to be impressed and deeply moved by her story of the unbelievably long and difficult struggle of a handful of dedicated people who established the Evelyn Unger School for Language and Learning Development. Pulling no punches, but clearly speaking from the heart, Mrs. Jardine told the story of the parents and the founder, who started with nothing but dedicated determination to help children who needed understanding and assistance, and in 10 years built a school whose good work is recognized far beyond the borders of Alberta.

It was a story of study and planning and seeking professional help -- and small ones whose opportunity was lost, because they couldn't wait, and problems of perceptual and conceptual confusion must be tackled early, and set backs and never being able to help more than a few of the children in need -- and always the never-ending hard work and the never-ending task of raising funds. And some shiny years and reaching the point where 63 students, who would never have made it without this school, were prepared and integrated into regular school systems.

Other speakers were Dr. Ken Paproski, M.L.A., who announced the establishment of a Trust Fund for the school, and Hon. Horst Schmid who presented a cheque for \$3,500 for summer recreation, Alderman Una Evans, Mr. Jan Maandag of St. Albert and Mr. John Baloun, president of the Language and Learning Association. Mr. John Boh-

onos was the master of ceremonies. Mr. Garth Peterson of St. Albert gave the parent's message.

Entertainment was by the St. Albert Singers and Ron and Dianne Nelson of this district. The program was convened by Mrs. Gordon McIndoe and Bill Hanna piped in the head table, both of St. Albert.

Evelyn Unger and her husband Abe were taken completely by surprise when

they were given a holiday trip to Hawaii, with the provision that the funds can be used in no other way. The parents who made the gift were well aware that this remarkable and outstanding woman would have put the money back into the school if she could. Throughout the evening it was clear that she is loved and respected by all who have had any experience with the school she founded.

School Succumbs To PEP Attack For Amateur Sport

The old Mission Park School is presently undergoing a thorough remodeling program which will transform this ancient structure into a modern headquarters complex for Amateur Sport Associations in Alberta.

All work being done on the old school comes under the Priority Employment Program -- winter project and once completed, the project is expected to cost \$150,000. Remodelling includes repairs and renovations to the entire interior, streamlining of heating and plumbing facilities, carpeting of offices on the main floor, thus transforming the three level building into modern premises. The exterior will not escape transformation either, since plans are already well advanced in replacing the old windows with new aluminum ones and soon as weather permits, the entire structure will receive a coat of paint and stucco.

Doug Lane, building superintendent from the Department of Public Works

said, "You'll never know the old place when we're finished with it."

Mr. Lane said he expects Sport Alberta will be partly occupied at the end of April.

One of the major jobs involving the remodeling of the old school into a modern sport headquarters was the gymnasium when the floor had to be removed, the stage removed and a new floor built two feet closer to the main floor. This was done in an effort to make the complex more accessible via ramps for wheelchair sports for the handicapped.

Project foreman, Andy Kampen of St. Albert admits that he and his entire crew of local craftsmen and contractors have encountered pretty tricky problems in the old structure, such as electrical lines, plumbing mains and the such. But Andy promises that Amateur Sport Associations in Alberta headquarters will be a top-notch facility upon completion.

Task Force Of Three Named To Study PSS

At the special meeting of council, called at 7:15 p.m. Monday evening for the election of a new Preventive Social Services Board, a motion by Councillor John de Bruijn altered proceedings thus changing the entire complexion of the meeting.

Rather than proceed with the election of a new seven member PSS Board, Councillor John de Bruijn recommended, in the form of a motion, that a three-man board be appointed by council to study the PSS issue, draft recommendations and report back to council.

"I feel that the PSS issue is too complex at this point," Mr. de Bruijn said,

"to let council proceed with the election of a new board and not provide that board with firm lines of direction."

Mr. de Bruijn elaborated on his motion by saying that the committee he would like to see nominated at this time would be charged with the task of studying all aspects of PSS and its functions then report back to council within six weeks. This motion was carried unanimously.

Councillor de Bruijn's next move was to nominate Mr. Rich Bailey, a former chairman of the PSS Board, as one of the committee of three. Councillor

Myrna Fyfe nominated Ron Gaunce, immediate past chairman of the PSS Board and Councillor Thordson nominated Mr. Cliff Keyes, present administrator of the Sturgeon General Hospital as the third member of PSS task committee. Councillor John Bakker moved that nominations cease. A vote was called on the nominations and was carried unanimously.

In view of the delay in electing a PSS Board, Councillor Thordson made a motion that the PSS Director, Mona Acker be made responsible to the town secretary-treasurer, Russ Bowen until a board is appointed. Councillor Hudson attempted to amend that motion and have the PSS Director responsible to the chief administrator Dan O'Connell but failed. When the vote was taken Councillor Rod Thordson's motion was carried 4 - 2 with Mayor Ray Gibson and Councillor Hudson voting against the motion. The 4 - 2 vote indicates that Councillor Frank Lukay was absent for the special meeting, but promptly arrived at 7:30 for the regular committee meeting of the whole.

Before adjourning the special meeting, Mayor Gibson suggested that the committee of three be invited to attend Tuesday night's special meeting at which PSS issues will be discussed along with other important council topics. The suggestion was unanimously approved and placed on the March 13 agenda along with questions dealing with town administration and planning.

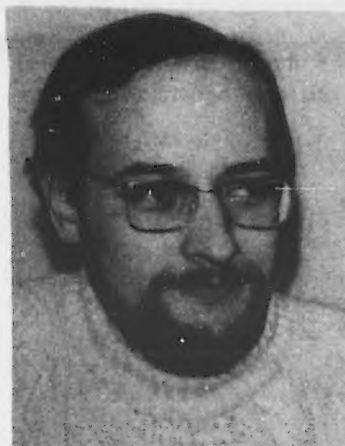

Comet captain John Arnot accepts the Vin Stanley Trophy from Zone Director Doug Ferguson of the Alberta Amateur Hockey Association, in St. Albert Arena Sunday night. Comets defeated Fort Saskatchewan Huskies in two straight games over the weekend to win the Northern Alberta Intermediate A crown. (Story on Page 6).

During a recent visit of the new premises for Amateur Sport Associations in Alberta, Hon. H. Schmid, minister of Culture, Youth and Recreation (right) is shown talking things over with chief architect T. Hargraves (left) and shown in the centre facing the camera is L. Usher, deputy minister of Culture, Youth and Recreation. Reaction from Mr. Schmid and his visiting colleagues was very positive, in that they were all amazed at the transformation of the old premises into modern quarters.

Gateway TV Changes Hands

Gateway Radio & TV Ltd. store #2 in Grandin Shoppers Mall was sold recently and came under new ownership March 1st. This was Dave Mostarac's second store and was sold to John A. Volorney one of Dave's former employees in the main Gateway Radio and TV store in the Centennial Mall in Edmonton.

JOHN A. VOLORNEY

Mr. Volorney left the employ of Gateway a few years ago and founded Alberta Ra-

dio Television Ltd., which he operated in Edmonton until the recent deal was completed. Effective March 1st, Mr. Volorney moved his Edmonton stock and staff to the Grandin Shoppers' site and continue operating a full scale facility here in St. Albert.

The Gateway signs will be replaced on the mall by Alberta Radio Television Ltd. advertising soon as the take over is completed. Mr. Volorney, with his wife Leona and an employee Gary Shonkwiler will concentrate their entire efforts on making their new store On The Mall a complete sales and service facility.

Town of
St. Albert

PUBLIC NOTICE

This is to advise that the Council of the Town of St. Albert has provided for the holding of an ANNUAL MEETING of the electors for the discussion of municipal affairs. The meeting will be held Monday, March 26, 1973 at 8 p.m. in the St. Albert Community Hall.

Landfill Site

nuisance of the overall sanitary landfill aspect of the business.

EFFICIENT WAY

Testimony endorsing the application included the efficient way in which a sanitary landfill operation is carried out in contrast to the old garbage dump concept. Expert witnesses testified that a sanitary landfill operation would not pollute water supply in the area, odors would be almost non-existent excepting while refuse was being covered. Town of St. Albert witnesses showed color slides and a movie film of atypical sanitary landfill operation being carried out in other major centres of Canada and the United States. This demonstration showed that a properly operated sanitary landfill need not present adverse effects on an adjacent community and to the contrary, is an excellent way in which to dispose of refuse while reclaiming land for future housing or recreational developments.

In the light of extensive evidence prepared by the town of St. Albert and the MD of Sturgeon, two separate hearings had to be held, each lasting a full day. Testifying for the Town of St. Albert, represented by A. M. Brownlee were: R. Norman Giffen, Edmonton Regional Planning Board; Harold Hood, landowner Northern Alfalfa Products Ltd., Councillor Bob Hudson, Jan Maandag, town engineer, Dr. R. A. McPherson, environmental geologist consultant; H. L. Morrison, engineer consultant with R. M. Hardie and Associates; Dan O'Connell, town chief administrator, Victor Raymer, director of solid wastes, City of Edmonton and L. E. Stewart, director health inspection services, Provincial Dept. of Health and Social Development.

The MD of Sturgeon was represented by Mr. Lawrence Kluthe. David J. Tilley appeared as counsel for Golden West Golf Course Ltd. who called on a number of landowners and interested residents. These included: Roger J. Clissold, hydrologist consultant, Percy Royal, social worker consultant, James O'Brian, president Golden West Golf Course Ltd., Floyd Street, Master Excavators.

HOMEOWNERS TESTIFY

Mr. R. A. Weeks, counsel for the estate of Edward Prodor and for Prodor Construction Co. Ltd., called: C. Horseman, householder, Mrs. Wilhelmina, housewife Mrs. N. Radke, housewife

Continued from Page 1

and several other residents whose homes are located in close proximity of the former Beverly landfill site.

Other witnesses called by Mr. Weeks testifying against the application included Jack A. Cunliffe, division manager of Northwest Brick and Tile; K. H. Banks of the engineering department, Edmonton Concrete Block Co. Ltd. Final witness to be heard was Mrs. Margaret Stauffer, a ratepayer of the MD of Sturgeon whose lands are located near the proposed landfill site.

After considering all evidence, the Local Authorities Board came to the following conclusion as enumerated in its order released last week:

1. That the application by the Town of St. Albert for 10.1 acres of land described as parcel 'A' Plan 5834 H.W. in the South East Quarter of Section 28-53-25-W4 in the MD of Sturgeon for the purpose of constructing and operating a sanitary landfill constitutes a valid purpose within the meaning of Section 127 of the Municipal Government Act.

2. The application by the Town of St. Albert was made necessary when the town could not acquire the desired lands from the MD of Sturgeon as per letter dated August 31, 1971.

3. In the LAB's opinion, the proposed sanitary landfill site use will not constitute a groundwater pollution hazard.

1934 Paper

Mr. Romeo McDonald of Box 46 St. Albert brought in a page from an old Edmonton Journal dated February 9, 1934 in which were featured exceptional specials of the 'good old days'.

One advertisement which attracted our attention was inserted by Harry Tait Groceries and featured tomato soups at 3 tins for 19¢. Other specials which seem almost unreal today include: Coffee at 19¢ per lb., bread, 3 loaves for 13¢ and creamery butter, 2 lbs. for 51¢.

Thirty nine years ago, when this particular issue of The Journal was published, Sterling Food Markets Ltd. were also featuring exceptional specials. We notice that this firm also encouraged the patronage of people on relief with a note in their advertisement which said, "We accept City Relief Orders." This serves as a reminder that the economy of the country 39 years ago wasn't what we would call 'bouyant'. Therefore, we presume that prices, though low according to today's standards, were probably compatible with man's earning power at the time.

ARE YOU TIRED OF STAYING AT HOME? DO YOU NEED A CHANGE?

We offer a unique placement to physiotherapists who like to use their initiative and save babysitter costs.

Apply to - Mrs. C. Wilcox, Sturgeon General Hospital, St. Albert, Alberta.

lution hazard.

4. In the LAB's opinion, there will be no significant noxious odors emitted from the site when in full use as a sanitary landfill operation. Also in view of substantiating evidence given by the director of Solid Wastes, City of Edmonton.

5. The Board also states that it failed to receive substantiating evidence whereby such a sanitary landfill operation would have an adverse effect on land values in the vicinity, providing the landfill is efficiently operated.

6. The Town of St. Albert has shown an economic need to establish and operate its own sanitary landfill site at the said location for improved convenience to its citizens, after making prudent inquiry into alternate methods of solving its problem, and therefore the submission is hereby approved.

At Monday's committee of the whole meeting it was agreed that a meeting with the MD of Sturgeon be held at which negotiations will be discussed regarding the acquisition of the 10.1 acre site under question.

Mayor's Comments On Taxation Plan

Due to the Provincial Government Property Tax Reduction Plan, the average homeowner in St. Albert will benefit by approximately \$141 in increased homeowner grants.

The Alberta Urban Municipalities Association Executive held meetings on March 6 and 7 to present to the government the problems related to the 7 1/2 per cent guideline on budget. If any municipality exceeds a 7 1/2 per cent increase in any one year, they will lose the Municipal Incentive Grant; this could be in excess of five mills.

At the presentation to the executive committee of the Provincial Cabinet on Tuesday evening and to certain members of the Cabinet on Wednesday afternoon, it was stated by Cabinet members that our objections and suggestions would be reviewed.

There are two major problems:

1. Certain municipalities have been placed in the position of having to exceed the 7 1/2 per cent limitation this year due to lower grants and past "belt-tightening" or good budgeting.

2. Others are placed in

the position of having to increase budgets by 7 1/2 per cent even though the money may not be required in this or other years. This is caused by no cumulative effect being allowed under the proposed changes. Therefore, to create a safety factor, budgets will automatically be increased 7 1/2 per cent yearly which means a built-in cost of living increase of 7 1/2 per cent for Alberta municipalities, whether required or not.

The Alberta Urban Municipalities Association Executive's main concern is the removal of the 7 1/2 per cent guideline. Other objectives were to create a higher base for the guideline as well as a cumulative effect rather than having to automatically increase budgets 7 1/2 per cent yearly. Any portion of the 7 1/2 per cent not used would increase the following year's budget by the amount not used.

It was suggested that municipalities should be allowed to move into the taxation areas the province has taken over. As an illustration of what could happen if the accumulating factor was not allowed, note the following:

YEAR	MILLS
1972 Municipal portion of Mill Rate	30
1972 Portion for Hospitals, Health Unit, and Welfare	5
Total Paid for 1972	35
1973 Municipal Portion Only (30 x 7 1/2%)	32.25
1973 Municipal plus Takeover (35 x 7 1/2%)	37.625

Therefore, the municipal mill rate would be increased by 7.625 mills whether needed or not. If an accumulating factor were allowed, this amount would not have to be taxed at this time but could remain as a future credit. The 7 1/2 per cent guideline will also better than double municipal mill rates in a nine-year period.

The \$11. Increase in homeowner grants represents an average of 18 mills to St. Albert residents. Without an accumulating factor being allowed and assuming we are allowed to

move into the vacated areas of taxation, the actual gain would be cut to 1.06 mills; in 1977, the gain would cost the average taxpayer 2.245 mills.

The presentation of the above items, together with several more, was well received by the government, resulting in a promise to fully review our objections and suggestions and to take them into consideration before any final decisions are made.

R. M. Gibbon,
Mayor.

Ernie Jamison, MLA St. Albert is enjoying a private joke with Doug Lane, public works building superintendent. Both Messrs. Jamison and Lane accompanied Hon. H. A. Schmid and party during their recent tour of inspection of the future home of Amateur Sport Associations in Alberta.

Plan Lenient says M.L.A. Ernie Jamison

The Gazette has asked me to comment as MLA for St. Albert, on Mayor Gibbon's article.

I believe every taxpayer in St. Albert knows that the

mayor and council are free to set the mill rate. No one forces them to tax to the limit of the new brakes which the Province has applied to Municipal spending.

This seven and one-half per cent is pretty lenient because it applies to mill rates - not budgets - thus allowing full benefit for the town's growth.

One mill will yield about \$29,000 to the town.

Figures released for the first two months on building permits would indicate that the assessment base will continue to increase in 1973. It should be noted as well that the town gained in excess of \$195,000

through supplementary assessment levied in 1972, after enabling changes which the municipalities requested from the Province.

In my opinion the position advanced by the mayor that budgets will be automa-

tically increased seven and one-half per cent yearly could be argued in different ways, and no doubt the government's review of St. Albert's objections and suggestions will bring out some alternatives.

Letter thanks Legion Right From The Heart

Following the bottle drive and the presentation of more than \$100 in support of the Eskimo Exchange project being spearheaded by Kathleen Evans of St. Alphonsus School in Edmonton, Mr. Reg Bremner of the St. Al-

bert branch of the Royal Canadian Legion, received this charming letter from a little boy at the school:

"Thank you for collecting for St. Alphonsus School. The Eskimos are coming for sure and the money we

have is \$1,267.79. And we have a hot dog sale every Friday, and on Wednesday we have the hot dog sale because we got four days off and we had a raffle and Joey Stepien won it. It was a five pound box of chocolates and it had pure bars in it and the lady hoo had gave it to Mrs. Evans is Mrs. McNair.

Best Wishes from Reuben Schmidthelster and St. Alphonsus School.

Town & District students do well in essay contest

Joanne Puchalik of Coronado is the most talented creative writer at the high school level in Alberta (in relation to entries received in the annual Canada Permanent Trust student writing contest), according to Andre Caron of the University of Montreal, the judge.

As Alberta winner Joanne receives a cash prize of \$300 for her entry under the topic "Needs Now." She is a student at Redwater High. The contest is open to all high school students in Canada, has an open subject and must be up to 2,500 words.

The first prize winning entries in each province are

published in book form and sent to high school libraries. Girls submitted over 60 per cent of the entries and the theme of death, either loss of a father or brother, suicides etcetera seemed to dominate the imagination of the writers, said Mr. Caron.

Four St. Albert students received honourable mention for outstanding entries: Jackson Briggs, Cornelius Hadziyev and David Wilhelm of St. George Simpson Junior High and Jocelyne Berube of St. Albert High.

Their topics were "The Experiment"; "Crisis on Mars"; "Death of a Friend"; and "The Big Change", respectively.

Volunteer - ing Pays Off

Some people feel that volunteering for duty is crazy but it paid off recently for two of St. Albert's Air Cadets. Warrant officers Bob Bondarevich and Peter Helten were among several senior NCO's who volunteered for supernumerary aircrew duties with CFB Edmonton.

"It was a real pleasant experience," said WO Helten, in an interview with the St. Albert Squadrons Public Relations class. "I'd go again whenever the chance arose."

The experience in this case was a flight to Yellowknife aboard a 435 Squadron Hercules transport aircraft as part of the crew. "Although we did not perform any functions on board the aircraft we were treated exceptionally well." When asked if he thought he might be able to fly the aircraft, WO Helten said "It appears frightfully complicated."

The aircraft continued on to Inuvik as part of its itinerary leaving the two cadets in Yellowknife. For the several hours they were away from the aircraft the newly created Air Cadet squadron in Yellowknife hosted the Warrant Officers and gave them the royal tour. While in Yellowknife they were each presented with framed pictures of the famous Snowbird.

Commercial traveller to small-town storekeeper: — Why don't you advertise? Storekeeper: I tried it once and people come from all over the place and bought darn near all the stuff I had.

The busy Bay Street broker asked his secretary where his pencil was and she told him it was behind his ear. He snapped: "Come, come, I'm a busy man — which ear?"

Greetings from Canada's Capital

The Editor:
Greetings from Canada's Capital.

I was most pleased to receive my first copy of the Gazette since my departure from St. Albert two months ago. My family and I have been a little despondent since our departure and your weekly newspaper has helped to cheer us up. It also reminded us of the many good times and the many fine people we were fortunate to know during the past eight years.

We have had a few visitors from St. Albert in the past few weeks, including Paul Shelemy, Mr. and Mrs. George Lee (former St. Albert residents now living in Spruce Grove) and Father Ron Polir who is presently attending classes at St. Paul's University here in Ottawa. Neighbours living directly across the street from us are former residents of St. Albert, the Bruce Filuk's, who used to live on Balmoral Avenue about six years ago. Also Chris and Ann Smith are only a few blocks away from us. Ann is the daughter of Mr. and Mrs. Nell Ross of St. Albert.

Last night Father Ron and I headed to Montreal to take in the Montreal Canadiens win over the Toronto Maple Leafs (4-1). Father Ron enjoyed his first NHL hockey game even though we were sitting quite high up in the Forum. He also misses St. Albert very much and can't wait until Easter when he gets back. When he does, he'll be tearing around in a new honey yellow Chevrolet Malibu which he recently purchased.

I was pleased to read that School District No. 3 had elected a new chairman in the person of Ernie Howrath. I wish him every success in his new position, and to Steve Sieben my congratulations on his election to the Board. I miss my involvement with the School District very much however its heartening to know that the Board is in such good hands.

My son Jim has also asked that I pass on his congratulations to the Father Jan boys and girls basketball teams for their fine showing this year.

Don LaBelle.

Alice Schelbelhofer, treasurer and Shirley McQuitty, president of the Sturgeon General Hospital Auxiliary are shown viewing the ice-making machine recently installed on the fourth floor of the hospital. The \$2,500 required for the machine was provided by the Auxiliary through various and sundry fund-raising events. The next important fund-raiser, sponsored by the Hospital Auxiliary will be the Shamrock Fest Saturday, March 17 at the Community Hall. Tickets are available from Mary Bondarevich, 799-5356; or Sheila Cooper 459-6946.

Winter camp out trains Scouts

Fifteen boys of 3rd St. Albert Scout Troop took part in a winter camp out training project, held at the Karl Hanneman farm out of Fort Saskatchewan over the weekend. They left early Saturday morning and slept out overnight in lean-tos they built themselves, using poles draped with heavy plastic, built on the snow

in the bush. It wasn't that easy to keep warm and dry and some of the young fellows got a little chilly.

They also cooked four meals outdoors and three different hikes were organized. Some of the scouts had a two-hour snowshoe hike and there was an abundance of animal tracks to observe.

On the trip a patrol box was bounced out of the truck on a rough stretch of road and one boy commented glumly that the peanut butter and the ketchup got busted. And indeed these are important items in a camp-out situation.

Scouter Doug Taylor was in charge of the camp-out and parents Barry Breadner and Don Horne assisted. Sunday morning Group Committee Chairman Tom White, Leader Al Barnes and Rev. Len Musto came out to the camp, and after joining the boys in cooking his own meal outdoors, Rev. Musto spoke to them briefly on their environment, concluding with a short prayer service on the theme of appreciating their environment and their responsibility in preserving it.

In assessing the exercise leaders and boys felt it was valuable experience in being resourceful outdoors and good preliminary training in survival techniques.

AROUND TOWN

Five new citizens were elected members of the St. Albert Day Care Society at the annual meeting held last Wednesday at 8 p.m. They are: Grace Christophers, Susan Lightfoot, Lynn Patt, Donna Read and Dick Wheatley. Re-elected for a second term of office are: Gloria Andrusiw, Lynn Clarke, Edith Duckering, Mary Popkins and Kathleen Stewart. Guest speaker at this annual meeting was Sandra Sazlow, coordinator of child care, Grant MacEwan Collegewho described the training program of child care workers before they're ready to accept assignments. One of the added attractions featured at the meeting was a display of arts and crafts done by Day Care students. These displays have now been moved to the library where citizens are urged to drop in and see fine work done by talented youngsters.

Lions Respond To Wheel Chair Plea

St. Albert's Supper Lions responded to calls for assistance from the Centre for the Care of the Mentally Handicapped in Edmonton, and the St. Albert Youville Home Saturday by donating eight wheelchairs to each institution.

The local service club purchased the equipment from Crown Assets Disposal Corporation as they became available. They renovated some with volunteer labor from the club and selected the agencies and societies that could best use the equipment.

The Centre for the Care of the Mentally Handicapped was established last April to relieve the pressure from the Red Deer Institution. It has a capacity of 92 children compared to Red Deer's 800 plus.

Lion President Dick Ryley and 10 other members delivered the chairs to CCMH Administrator Mrs. Pat Neville and toured the Centre. Mrs. Neville explained that the Centre is in desperate need of wheelchairs because many of the children who were believed to be permanently bedridden are beginning to show signs of mobility.

The children's progress is believed to be directly correlated to the increased attention the children receive in a smaller centre, established last year as a result of the Alberta government's drive to improve facilities and service for the mentally handicapped.

This week, Lions members will return to the Centre to donate a stretcher (also obtained from Crown Assets) for use in a van to

St. Albert Supper Lions are shown presenting eight wheel chairs they have just donated to the Youville Nursing Home. Left to right: Ed Bouvier, Ed Savoie, Bob Prather, District Governor Rock Holman, Sister Michaud, Youville Nursing Home administrator and Supper Lion President Dick Ryley. Seated in one of the wheel chairs is senior citizen Rosaire Hebert, a resident of Youville.

transport the children to the General Hospital for medical aid or treatment unavailable at the Centre.

At the Youville Home, the eight wheelchairs will assist staff in mobilizing more of the Home's disabled residents. Further presentations of needed equipment will be made by the Lions Club to the Edmonton Paraplegic Association and the local Women's Institute.

Equipment refurbishing was done with the assistance of St. Albert Upholstery Ltd. Total value of all the equipment, if purchased new, would be in excess of \$5,000.

Biggest Crowd In Local History See Comets Win Coveted Trophy In Thrilling Final

St. Albert Willowbrook Comets won the Northern Alberta Intermediate "A" championship Sunday night in St. Albert with a 3 - 2 win over Fort Saskatchewan Huskies. Comets also won the opening game in the best of three series with an exciting 5 - 4 victory in the Fort Saturday night.

Both games were played before sell-out crowds as fans were treated to some excellent action.

Captain John Arnot was presented with the coveted Vin Stanley Trophy by Mr. Doug McKenzie, zone director for the Alberta Amateur Hockey Association. The trophy put up for annual competition in 1938 has been won the last four consecutive seasons by Lloydminster Border Kings.

Comet coach Gary Checknita and Henry Hodgson both played on the Border Kings two years ago. Probably the most famous team to win the Vin Stanley Trophy was the Edmonton Waterloo Mercurys who were world hockey champions in 1950 and Olympic champs in 1952.

The opening game in the Fort Saturday night was before a packed standing room only crowd and some 200 St. Albert fans were not disappointed as the Comets came up with a thrilling 5 - 4 win.

Comets dominated the opening period and took a 2 - 0 lead on goals by Harvey Kirkland and Al Laplante. Kirkland's goal came at 7:00 and was set up by Henry Hodgson and Gary Checknita. Checknita also sent Laplante in all alone on Fort goalie Ray Turner and big Al made no mistake from 20 feet out with a hard shot. The goal came at 16:07 and it appeared as though the Comets might run away with the game. As it so often happens a team with a lead will sometimes slack off in the last few seconds of the period. Comets did so and

Marcel St. Arnaud beat Zane Jakubec with a shot from the point at 19:43.

Comets took a two goal lead again early in the second (4:42) when Doug Bell fired a rink wide pass to Brian Stevens in full flight. Stevens went around the Fort defense and beat Turner with a hard shot.

Husky defenseman Wilf Brooks beat Jakubec with a screened shot from the point at 8:27 of the period to get back in the game and tied it up at 13:38 on Richard Thorne's deflection from close in.

Comet's little speedster, Brian Stevens and Doug Bell hooked up again on another perfect rink wide passing play with Stevens beating Turner on a play identical to his first goal. The go ahead goal came at 6:04 of the third with Rich Perrault helping set up the play. Comets appeared to go ahead two goals but referee Bill Fletcher claimed the puck was kicked in and disallowed the goal. This appeared to give the Fort a boost and Husky Doug Robertson finally beat Jakubec who had made three excellent saves at 15:05 to tie the game.

In the next couple of minutes both clubs had superb scoring chances. First off Bell pulled Turner out of the net on an excellent move and then shot wide on an open net. Fort turned around and stormed into the Comet end forcing Jakubec to make three saves from close in. With Jakubec down a Fort player picked up the rebound from 10 feet in front and fired over the net by a inch or so.

With five seconds left to play Checknita did some fancy stickhandling before slipping it by Turner for the winner and a one game lead going back to St. Albert.

Before the largest crowd ever to see a game in St. Albert the Comets came from behind a 2 - 1 deficit

and took a fine 3 - 2 win and the Northern Alberta Intermediate A crown.

Comets drew first blood when hard working Wally Monson intercepted a stray Fort pass and beat Turner with a blazing wrist shot from 30 feet out. Monson beat Turner cleanly, giving Comets a 1 - 0 lead. Once again St. Albert let up late in the period and Richard Thorne beat Jakubec at 19:45 to tie the game.

Comet defenseman Dale Ripple was sent off for boarding Butch Thomlinson at 8:40 of the second period and it didn't take the Fort long to capitalize with the man-advantage.

Defenseman Dave Hebert scored from 15 feet out on a hard shot at 9:59 that Jakubec had no chance on.

Comets dug in and some excellent forechecking in the Fort end produced a loose puck that Ron Fournier backhanded past Turner for the tying goal. This came at 11:13 with Jim Read and Andre Contant earning assists.

With less than two minutes to play in the period, Read again did an excellent job of forechecking and came up with the puck. He spotted Andre Contant near the Fort net and his perfect pass was in as soon as it was on Contant's stick. Turner didn't even have a chance to move on the play. The goal was Contant's eighth in four games in the playoffs and proved to be the winner.

The third period was scoreless with Comets dumping out the puck every chance they could.

The series was a great team effort with Jakubec and Read having probably their best games. Both games were cleanly played with only five penalties in the last game and 12 in the opener.

The opening game in the best of three series with Banff Bisons will be held

Comets were a happy bunch offellows last Sunday night in St. Albert when they defeated Fort Saskatchewan Huskies 3 - 2 to win the Northern Alberta Intermediate A title. Captain John Arnot (c) raises his hand in victory as the players mob goalie Zane Jakubec behind Doug Bell (13), Wally Monson (17) and Jim Read flank Henry Hodgson, Brian Stevens (13) rushes in while Andre Contant is to the right of Arnot.

Fire Chiefs bounced from Provincials

St. Albert's bantam representative team, the Fire Chiefs, have been bounced from the provincial playoffs by Westlock.

St. Albert lost both games in the two-game total-goal series, 5 - 3 on home ice and 2 - 0 in Westlock. In the opening game the score was 1 - 1 after two periods

of play while in Westlock there was no score after two periods.

Fire Chiefs took a 2 - 1 lead in the third period of the opening game, then fell apart for a brief period in which Westlock scored four straight goals. Chiefs got their final goal with less than a minute to play to go

to Westlock two goals down. Paul McCann, Don Tobin and Lloyd Olson scored for Chiefs.

Fire Chiefs also played three exhibition games over the past week. They lost 6 - 2 to the Broncos of the midget house league, then beat Northwest Sales AA bantams from Edmonton 7 - 3 and the Sabres from the St. Albert bantam house league 13 - 0.

Rory Ryder and Tobin scored for Chiefs in the game against the Broncos. Against Northwest Sales, Graham Brown had three, Lorie Loshack had two and Rod Olsen and Lloyd Olson one each.

The teams were tied 1 - 1 after the first period, but Northwest went ahead 3 - 2 after two. The third was all Fire Chiefs as they rapped in five straight goals.

Comets to meet Westlock in league semi-finals

Willowbrook Comets and Westlock Eagles will meet in a best of five semi-final series in the Edmonton Central Hockey League playoffs. Exact dates for the series are still undecided pending the outcome of the Comets provincial playoffs with Banff this weekend.

Should the Banff series be won in two straight games the Comets first game against Westlock would start in St. Albert Tuesday night March 20 at 8 p.m.

In St. Albert this Saturday evening at 8:30 p.m. The second game is slated for Banff on Sunday, although at press time it was undecided at which time the game would start. If a third game is necessary it will be played in St. Albert next Tuesday, March 20 at 8:30 p.m.

Comets are again chartering a bus for the Banff trip. Fans interested in going are asked to listen to the time announcement during Saturday night's game and advise the timekeeper if you are going.

Comet President Rene Brodeur (left) and sponsor Rudy Scheibelhofer are all smiles in the dressing room after the Comets won the Vin Stanley Trophy for the Northern Alberta Intermediate A supremacy. Star defenseman Dale Ripple (right) played a standout game.

Juveniles Advance To Provincials

St. Albert Juveniles under coaches Dave Mozil and Keith Switzer advanced to the Northern Alberta Juvenile B finals, defeating Athabasca 17 - 12 in a two game total goal series.

St. Albert will now take on Drayton Valley for the championship game. Times are not finalized to date.

David Grice scored three goals Friday night in St. Albert to lead the team to a 8 - 4 win. Mike Davids followed with a pair while Scott Ballentine, Keith Rae and Gord Grant added singles.

Saturday night in Athabasca the home-town squad scored two quick goals to reduce St. Albert's total goal lead to just two goals. Mike Davids, Grice, Roger Pouliot and Doug McKenzie scored for St. Albert before the period ended to give St. Albert a 12 - 8 lead.

John Boxall, Scott Ballentine and Grice, with his second of the night, tallied in the second period for St. Albert. In the third Doug McKenzie and Bruce Parks scored for a final game score of 9 - 8.

St. Albert now advances to the Northern Alberta finals against Drayton Val-

ley this weekend in a two game total goal series. The first game will be played in Drayton Valley Friday night at 8:30 p.m. The team is travelling by chartered bus and any fans wishing to go are asked to be at the Arena at 5:30 p.m.

The second game will be played in St. Albert Sunday afternoon at 2 p.m.

Basketball trophy eludes local team

The senior girls basketball team from St. Albert High travelled to Stettler over the weekend to take part in the Provincial High School Girls Basketball tournament. Although giving a very good account of themselves they returned home without the championship trophy.

The girls, cheerleaders and coaches left Friday morning and played their first game at 4:30 p.m. against Lethbridge. The St. Albert girls outscored their opponents 35 - 27 to stay in the hunt for the trophy. The next opponents were from Tofield and the St. Albert girls shot well below

Pee Wee Lancers advance in zone

St. Albert Peewee Lancers BB downed Edson 8 - 3 Saturday night in Edson, then returned the hospitality by beating them 13 - 5 Sunday in St. Albert, thus taking the series 21 - 8.

Scoring in the series were Winkulst with five goals, five assists; Sander four goals five assists; Young

four goals two assists; Rid-dell three and two; Liptak two goals; Fraser one goal two assists; Enright one goal six assists; Malo one goal. McCann had four helpers, Bendera had three, Joyal two, Harkness two.

The line of Bernie Joyal, Brad Liptak, Alan Malo, showed the value of hustle

as they check Edson to a standstill Saturday, they also added three goals. The defence of Doug Bendera, Terry Harkness, Doug Fraser, Mark McLoughlin, allowed only 16 shots to reach our goalie in Edson, Sunday they had a few lapses but came through when required. Tworek has been out-

standing in goal and comes up with the big save when needed. Cook has also played well when called upon.

Calahoo Scorpions Win Fort Nelson Trophy

Calahoo Scorpions hockey team travelled by chartered bus last weekend to Fort Nelson, B.C., to take part in the annual Trappers Rendezvous. The Scorpions played the Fort Nelson All-Stars in a two game series and won both games.

On Saturday night the Scorpions took a 5 - 3 win behind the two goal performance of Sneaky and Greasegun Berube. Jacques Contant added the final goal. Calahoo had taken a 3 - 0 lead only to have the Fort come back and tie the game. Sneaky and Jacques scored late in the third period to win it.

On Sunday the Scorpions had no trouble as they skated away with a 6 - 2 victory. Jay McGeough, Jacques Contant and Greasegun Berube scored a pair each as the Scorpions led all the

way. McGeough had an excellent game and controlled the game while he was on the ice. Gerald McGinn turned in a strong performance between the pipes.

The trip was arranged almost one month ago by Mark Contant who was a former Scorpion player two years ago before being transferred to Fort Nelson. Mark has three brothers (Andre, Jacques and Claude) playing for the Scorpions now, but unfortunately only Jacques could make the trip.

A number of wives and fans accompanied the team and from all reports everyone had a good time. A big hand has to go to the Town of Fort Nelson for making everyone feel most welcome. And to Garth Leask of Diversified Transportation for supplying the bus.

A certain friction between the generation is inevitable. That's because the young and the old have all the answers, and those in between are stuck with the questions.

New Lacrosse rules speed up the play

An article last week dealt with the lacrosse playingsurface which is divided into three major areas defined as Central Zone, Defensive Zone and Attacking Zone. What is one club's Defensive Zone is their opponents Attacking Zone. In the interest of creating faster action the 10 second and 30 second rules were brought into play not too long ago. The offensive team, unless short-handed, is required to take one shot at the defending team's goal every 30 seconds. If they fail to do so a horn will sound followed by the referee's whistle. When this occurs the offensive team must

drop the ball at the point, and the referee awards possession to the defending team. It should also be noted that the shot must be on the goal.

The 10 second rule stipulates that when a team is short-handed they must advance the ball into the attacking zone within 10 seconds. Once in the attacking zone the ball may not be passed or carried outside that zone.

Midgets out of Provincial Action

St. Albert Hiawathas, provincial midget C team was eliminated from further playoff action losing the two game total goal series 15-7 to Whitecourt.

Hiawathas, under head coach Fred Zottl won the opening game 6-5 Saturday night in St. Albert. Dave Soetaert with a pair and Maurice Chamberlain scored in the first period for a 3-1 lead. Gary Cochrane scored early in the second for a 4-1 lead.

Whitecourt fought back

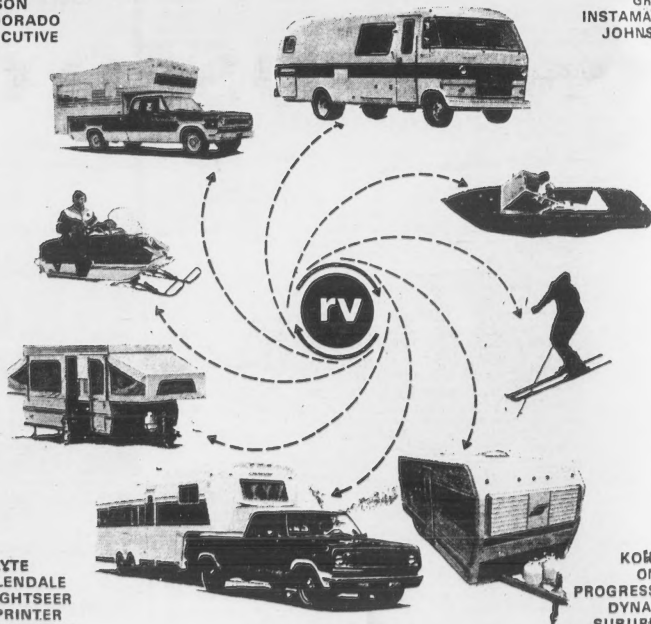

with three straight goals to tie the game before Dennis Sanche put them ahead 5-4 after two periods. Whitecourt tied the game at 14:30 of the third but 10 seconds later Wayne Kuzio fired home the winner to give St. Albert a one goal lead going back to Whitecourt.

The game in Whitecourt was not one of St. Albert's happy moments to remember as they were bounced from the playoffs with a 10-1 thumping.

Pitch Hold First Annual Fund Dinner

The first annual fund-raising dinner in aid of the Pitch and Spice Singers was held in the Parish Hall on Saturday, March 10. An excellent smorgasbord was served by the parents committee and was followed by a number of selections rendered by the Pitch Choir, led by Father Duchesneau. The group was excellent, and improves with every performance.

Peter Byl, chairman of the parents committee of the Pitch and Spice choirs presented a brief history of the founding and development of the choirs over the past four years, including their presentation of Superstar and many field trips to such centres as Grande Prairie, Prince Albert, North Battleford, and engagements in various locations in Edmonton.

In May, the group will travel to Lethbridge and Medicine Hat.

The remainder of the evening was spent in dancing to the music of Blackwell, a local group which played many modern and old

time favorites in the 'rock' idiom. Teen-agers and seniors for citizens, sons and mothers, fathers and daughters enjoyed dancing the monkey, the butterfly and the waltz.

The fund raising activity was reported to be a tremendous success.

Pollution Bee-in for housewives

A third Bee-in on pollution for housewives will be held Wednesday, March 21 at 9:45 a.m. in the Teen Centre across from Father Jan School. The first was initiated by Judy Wood in her home and the second and third bee-ins have been arranged by Cathy Hainsworth, environmental worker under the Local Initi-

tives Program set up by the Preventive Social Services Board, with the co-operation of the Edmonton Anti-Pollution Group.

Mrs. Jolly Dreever will again speak to housewives on such topics as low and free-phosphate detergents, how to build your own compost heap, hints on buying cosmetics and alternatives to pesticides.

Any housewives interested in holding a bee-in in their homes may contact Mrs. Dreever of the Edmonton Anti-Pollution Group at 423-1163.

Further information on the March 21 event are asked to telephone Cathy at 459-8786. Free babysitting will be provided and all housewives are urged to attend, and learn how to save money while fighting pollution.

Parent Involvement topic of speaker - learning disabled

The next regular monthly public meeting of the Sturgeon-St. Albert Ass'n for Children with Learning Disabilities will be held Monday, March 19, in the Music Room of the Leo Nickerson School at 7:30 p.m.

The guest speaker will be Dr. John Paterson, director of Counselling Centre, Dept. of Educational Psychology, U of A. Dr. Paterson is also chairman of the Edmonton Public School Board, and is very involved in the field of education. His concerns include the plight of the learning disabled child. Before assuming his present position with the University of Alberta Dr. Paterson was director of counselling service for the

Edmonton Public School system.

Dr. Paterson will have some comments to make on parent involvement in the testing of children. Only an informed parent can effectively cope with the child's needs, and make intelligent decisions regarding the child's future. An informed

parent generally means a less anxious child.

Everyone with an interest in the welfare of all children is invited to attend this forthcoming meeting. Participants may break up into discussion groups if they wish. Coffee will be served.

Credit Union Shows Increase In Assets

Members of the St. Albert Savings and Credit Union enjoyed a delicious smorgasbord and social evening at their annual meeting held here in the Community Hall February 24. Highlighting the annual get-together was the announcement by chairman of the board, Albert Lesburg that the Credit Union's net increase in assets over the past year exceeded \$266,000 and memberships had been increased by over 200 new members.

Mrs. C. Bendick, chairman of the nominating committee proposed three candidates for the three vacancies on the board of directors. Elected were - Adam Hauptman, who replaces A. J. Alain, while Glen Lausen and Harold Vague were re-elected for another term of office. All were elected by acclamation. They shall now take their place on the board of directors with the following sitting members: Albert Lesburg, Mrs. C. Bendick, Allen McQueen and Gordon Willis.

Elected by acclamation to the Supervisory Committee was William Stewart. The two other members of this committee are Wilfred Langen and Peter d'Haene.

The board of directors

Science Fair Scheduled For March 16

Sir George Simpson Science Fair will be held on Friday afternoon, March 16, 1973 in the Assembly Area.

Individual and group projects that were undertaken by students as early as last December will be displayed. Displays will be judged by Messrs. John Buma and Paul Barg, junior high school science teachers from Sir George Simpson School on the same afternoon between the hours of 2 p.m. and 3 p.m.

Judges will select one winner in each of the following categories:

Category B: projects by groups in Grades 7 to 9.

Category C: projects by individuals in Grades 7 to 9.

Category D: projects by groups in Grades 4 to 6.

Category E: projects by individuals in Grades 4 to 6.

met Monday, March 5 at the Credit Union Office to elect a president and vice president. Re-elected by acclamation was Albert Lesburg and vice-president is Gordon Willis.

The Credit Committee is

made up of the following: Chairman, Douglas Taylor, directors Jean Paul Bouchard, Denis Limoges, Mrs. Gwen Pederson and Donald Thompson.

The members of the St. Albert Savings and Credit

Union discussed at long length plans for a new building to be located on St. Anne Street. Land for the future home of the Credit Union has already been selected and the membership unanimously agreed that

plans to proceed with construction of new premises should be pursued. An architectural firm is expected to be commissioned soon to draw plans for the proposed complex. Mr. Alain, manager of the Savings and Credit Union promised that an announcement in this regard will be issued shortly.

Want to make a friend for life?

Share your family with a foster child

We're looking for some very special people. Foster parents. People who can take troubled children into their homes and help them regain their confidence in themselves. People who can reassure abandoned, neglected and maltreated youngsters. People who can understand the problems of boys and girls with mental and physical handicaps. People who can extend unfailing patience and affection to seemingly unresponsive teenagers.

There are some 2500 children in Alberta who desperately need these special people. Children who, through no fault of their own, have been denied a normal and happy family life. If you think you can help by sharing your family, please give us a call. We offer no material rewards other than an allowance for the child's board, clothing, health care and tuition. The true reward is yours to find . . . in making a friend for life.

BE A FOSTER PARENT

HEALTH & SOCIAL DEVELOPMENT

Nickerson 'Scientists' March Fair

March 8 was the scene of the annual Science Fair at Leo Nickerson Elementary School. Forty-two entries from grades four to six were judged by Mr. Hugh Phillips of Sir Alexander Mackenzie School and Mr. Neil Spronk of Paul Kane High School. Seven entries were selected for submission to the Edmonton Regional Science Fair to be held April 13 and 14. The seven projects selected were:

Grade Four: "Blood" by Jamie Irwin; "Rocks, Minerals and Fossils" by Dawn Hanna and Donna Sinclair.

Grade Five: "Acids and

Bases" by Catherine Thronsdon and Shawna Thronsdon; "Chemical Reactions on Plants" by Steven Mackay and Doug Lausen.

Grade Six: "Snowflakes" by Eric Breadner; "Chemistry of Soap" by Margaret Scott and Brenda Penner. "Classification of Rocks" by Kathleen Telfer and Suzanne Grosenick.

Honorable mention was also given to projects entitled: "Solar System" by Sandra Findlay and Maurine Cousins; "Polishing Rocks" by Becky Heuermann and Sharon Meaker; "Story of Electricity" by

Donna Burrell and Michele Christensen; "Colored Lights on Plants" by Joni McBeth.

Special thanks was extended to those students who entered but were not successful and to Mrs. Kay Gahuk whose task it was to co-ordinate the Science Fair.

Parents attending the Science Fair also had the opportunity of visiting their child's classroom or watching a demonstration of Creative Drama by a group of grade six students under the direction of Mrs. Rita Egan.

Leo Nickerson students in Grade 6 were also among the finalists in the recent science fair. Left to right: Mrs. Kay Gahuk, science teacher, Kathleen Telfer, Suzanne Grosenick, Eric Breadner, Brenda Penner and Margaret Scott.

These Grade 4 and 5 students of Leo Nickerson were among the finalists in the recent science fair held March 8. Left to right: Mrs. Kay Gahuk, science teacher, Shawna Thronsdon, Cathy Thronsdon, Jamie Irwin, Doug Lausen, Steven Mackay and seated are Donna Sinclair and Dawn Hanna.

AROUND TOWN

Relatives and friends gathered last Saturday evening at the new home of Mr. and Mrs. William Handy, 49 Swallow Crescent for a very successful housewarming party. The happy new residents in St. Albert, who have just recently moved here from Edmonton with their two children, Karen 7 and Vincent 5, received a purse of silver, a gift from their friends. A delicious lunch was served to the 26 couples present who wish Mr. and Mrs. Handy and family a long and pleasant stay in their new home.

Mr. Larry Dick, counsellor at Sir Alexander Mackenzie will address students at the St. Albert Day Care Centre Monday March 19 at 4 p.m. There are four students taking the credit volunteer program given by Day Care Director Mrs. Lussier. The program extends from 75 to 125 hours of volunteer service.

At the scheduled meeting for Meals on Wheels held March 6 at the Health Unit office, no further progress was able to be made since no funds have been forthcoming to date. However, a number of volunteers have been recruited to serve the meals. It is hoped that their interest will be sustained until the program is underway.

Do You Remember When?

MRS. LOIS JAMIESON

Readers of The Edmonton Journal back in August 1961 may remember a front page picture and article dealing with an Edmonton nurse whose cool nerves, professional training and prompt action saved the life of a 21 year old woman. Perhaps the incident has slipped your memory bank but it has always remained vivid in the mind of Lois Jamieson of the Sturgeon General Hospital and Lillian Nault, the young girl whose life she saved, never forgot the incident.

The whole drama started at about 3:20 Sunday morning about 12 years ago when nurse Jamieson and her husband Donald were driving home after attending an

anniversary party of a member of the family. As the Jamieson couple was nearing home, they came upon an exceptionally bad accident at Jasper Avenue and 123 Street where a car had smashed into a power pole. The Jamieson couple stopped to investigate and found all five occupants of the car seriously injured. One especially seriously injured occupant, Lillian Nault, attracted Mrs. Jamieson's attention because the young girl's body was jammed under the dashboard of the car and no heartbeat or signs of breathing could be detected.

Nurse Jamieson asked her husband Don to please help her straighten the victim out from her crumpled position. A closer check by Nurse Jamieson convinced her that the victim had stopped breathing. She immediately started giving the young girl mouth-to-mouth resuscita-

tion and continued for 40 minutes until the victim and the four others involved in the accident were admitted to hospital. Police and hospital authorities, including the ambulance driver were unanimous in crediting Nurse Lois Jamieson for having saved the life of Lillian Nault.

Twelve years later The Gazette has located that distinguished nurse and we are sure everybody in the St. Albert area will be proud to know that Mrs. Lois Jamieson is a member of the Sturgeon General staff.

In an interview with Nurse Lois Jamieson Tuesday afternoon, The Gazette learned that Lillian Nault, the girl whose life she saved, married Fred Edgelow, driver of the car involved in the accident back in 1961. Mr. and Mrs. Edgelow now live in Red Deer, have two children, Colleen and Ricky and have never missed sending Mr. and Mrs. Jamieson a Christmas card or otherwise kept in touch.

Mrs. Jamieson, modestly admitted to The Gazette that at the time, mouth-to-mouth resuscitation was not that commonly known or commonly in practice in hospitals or as a part of nursing training as it is today.

"I just applied mouth-to-mouth the best way I knew how, according to the demonstrations I had seen," Mrs. Jamieson said, "and kept it up until the young girl was safely in hospital." She estimates the time from when she discovered the victim and reached the hospital as "an awfully long 40 minutes."

When asked if she had been mentioned for Nurse of the Year Award, Mrs. Jamieson said that she had

not but did, however, receive letters of congratulations from the premier, mayor of Edmonton, the chief of police, the director of nursing at the General Hospital and also received many bouquets over CICA when that station at the time had a type of open-line program called Beefs and Bouquets.

Braeside Church plans Special evening service

A special service of Thanksgiving will be held in the Braeside Presbyterian Church on Sunday evening, March 18 beginning at 7:30. The Service of Worship is to celebrate the occasion of the completion of repairs and remodelling to the church building made necessary as the result of the fire in January.

The fire on January 22 badly gutted the two upper rooms of the building which were used as an office and the other as a storage room. The main worship area and kitchen of the church suffered smoke and water damage while the basement sustained only minor water damage.

The repair and renovation work has been done by Bond and Lottich, general contractors, and is expected to cost about \$8,000. The two upper rooms have been remodelled into one large room with improved lighting, ventilation and new flooring. The new large room is now more suitable for church school classes and small meetings. The worship area and kitchen have been redecorated and new flooring laid in the entrance hall. The basement has been thoroughly cleaned, the ceiling retextured and some repainting done where necessary.

The special service on Sunday evening will include appropriate music by the choir and the sermon will be given by the Rev. Dr. E. J. White, minister of First Presbyterian Church, Edmonton. Dr. White's sermon is entitled "Living Stones - Chosen of God." A warm and cordial welcome is extended to all members and friends of Braeside Presbyterian to come and share in this service of praise and witness to Jesus Christ the only King and Head of the Church.

Learn to Golf - Limber Up In Town Recreation Programs

SKATING:

The outdoor skating rinks will be closed officially from Saturday, March 17. There is no guarantee that they will be open even until Friday as the temperature is the deciding factor and recently they have been out of service frequently because of the deterioration of the ice.

ARENA SKATING:

There will be no public skating in the arena on Sunday evening, March 18.

GOLF:

Registrations and fees (\$6.50 for adults and \$2.50 for students) are now being taken at the Town Hall for the learn-to-golf school which starts on Tuesday, March 20 in the new Paul Kane School on Cunningham Road. On that evening at 7 p.m. there will be films and general discussion and after that, classes will be held twice a week for three weeks on Saturday mornings and Tuesday evenings. See the advertisement in last week's Gazette for details.

Participants are reminded that they must wear soft soled shoes.

For further information, please phone the Department of Recreation at 459-6601.

CHILDREN'S GYM:

There are still a few openings in the gym classes which will be instructed by Mrs. Bonnie Childs and held in Leo Nickerson School on Saturday afternoons.

The six-week session starts on Saturday, March 17 with classes for 6 - 8 year olds from 1:30 - 2:15 p.m. and for the 4's and 5's from 2:30 - 3:15 p.m. The cost is \$3 for each child and registrations, along with fees, will be accepted at the Department of Recreation in the Town Hall till 4 p.m. on Friday, March 16. The number in each class is limited.

DEFENSIVE DRIVING:

A four week course in defensive driving with sessions held each Monday evening has been tentatively arranged to start on Monday, March 26. If you are interested and haven't already done so, phone the Department of Recreation and leave your name and telephone number. While the number accepted is limited the course will only be held if there are sufficient registrations.

PHYSICAL CULTURE:

In response to the interest shown in the demonstration of physical culture given by Mrs. Margaret Thompson and her students in Vital Grandin School some weeks ago, a class for girls (12 to 16 years) has been arranged.

The cost will be \$4 for eight lessons and registrations will be taken at the first class which will be held in the Clubhouse (beside the swimming pool) on Wednesday, March 28 at 7 p.m.

Physical culture is new to Western Canada and was introduced by Mrs. Thompson just over three years ago. Since then it has become very popular, due to her enthusiasm and to the great interest she has generated in this particular form of movement which results in flexibility and improvement of poise and posture.

The class is the first of its kind in St. Albert and al-

though it is limited to girls of 12 - 16 years of age, other classes for other age groups may be arranged if there is enough interest.

SOCCER:

The final soccer registra-

tion for boys between 6 and 18 years will be held in the Clubhouse (beside the swimming pool) on Friday, March 16 between 6:30 and 9 p.m. No more registrations will be accepted after that date.

Local girl marries Spirit River Man

Father Raymond Sevigny assisted by Father Jacques Joly, conducted the double-ring candlelight wedding service uniting Victor Labrecque and Simone Regimbald in St. Albert Roman Catholic church January 26. Father Sevigny is an uncle of the bride.

The bride is the daughter of Mr. and Mrs. Dan Regimbald of St. Albert and Victor is the son of Mr. and Mrs. Joe Labrecque of Spirit River. Wedding music was by soloist Doris Tellier and Father Colin Levangie, with Bertha Kennedy at the organ.

Attending the bride were Dolly Calder of Morinville and Madeline Regimbald of Edmonton, a cousin. The groom's attendants were best man Philip Labrecque, his brother, and Jim Denis, both of Spirit River. Lyle Strand and Bert Regimbald ushered the guests.

The bride was lovely in a long gown of white peau de sole, styled with A-line skirt long sleeves and a cathedral train extending from the neckline. The gown was trimmed with lace and seed pearls, repeated in the edging of the train, and a rhinestone tiara held her chapel veil, designed with scalloped edges and seed pearl trim. She carried a bouquet of red roses.

On the following day the bride's mother entertained with a buffet and gift opening party at her home for some 40 relatives and friends.

After a wedding trip to Mexico the happy couple took up residence on the groom's farm at Spirit River. Prior to her marriage Simone, who was born and raised in St. Albert, worked for 1 and 1/2 years as a steno at the offices of the RCMP detachment here.

The bridesmaids wore identical full length gowns of deep rose polyester crepe trimmed with silver braid and featuring hoods. White flowers adorned their hair and they carried nosegays of white mums and rose carnations.

For a reception at the Purple Dude banquet room, the bride's mother was charming in a long purple gown with white beaded trim, silver accessories and a mauve orchid en corsage. The mother of the groom chose a long gown in pale green with gold accessories and a gold orchid.

Armand Savole was master of ceremonies and a toast to the bride was proposed by Robert Sevigny, an uncle. About 250 guests enjoyed the reception, buffet supper and dance which followed. The bride chose a palazzo pant suit in deep pink for a going away outfit, with navy accessories and a corsage of pink roses.

Out of town guests were from Calgary, Drumheller, Leduc, Devon, Spruce Grove Fort Saskatchewan, Morinville, Legal, Vimy, Westlock, Fahler, Rycroft, Spirit River and Winnipeg. The bride's grandparents, Mr. and Mrs. Alfred Sevigny of Youville Home were special guests.

Mr. and Mrs. Victor Labrecque cut their wedding cake in tradition style at a reception following their marriage service in St. Albert.

AROUND TOWN

The members of the Ladies Auxillary to the Sturgeon General Hospital could use a boost in ticket sales for their Shamrock Fest at the Community Hall Saturday night. These gals are noted for those little extras that add up to a great night out. So whether you're Irish,

or wish you were, or glad you're not, be kind to your dancing partner and persuade him he should get in on the action. \$8 per couple covers everything, including the Satellites and a wee bit of green or tan shamrock brew. For those tickets phone 459-6946 or 799-5356.

Calahoo WI marks Anniversary

By Liz McLeod

On February 27th, 12 members and one visitor, Mrs. Henry Joyce Bergstrom, gathered to climax 14 years of Calahoo WI as an active group. Over the years the Institute had as high as 18 members and as low as 11, and was always a closely knit group working together "For Home and Country," WI motto.

After usual order of the meeting the correspondence was read, being three letters. One was from D. A. Wally Kiat in regard to the forthcoming flower and vegetable show.

Handicraft convener Dorothy McLaughlin asked the group to name a day to again demonstrate at K-days.

A letter from former member Annie Norris of Devon praised the group for its good work, and included a donation to the Menor fund. Calahoo WI is very grateful to those who have donated and hopes to receive greater response to this fund.

Unfortunately Stephanie Shenfield couldn't host this meeting. She had arranged for a Sgt. of the Spruce Grove detachment RCMP to speak to the group, but he was not allowed to speak outside Spruce Grove's boundaries. The WI asked Sgt. W. G. Neale of the Stony Plain RCMP, who is allowed outside his boundaries, to come to a planned open meeting at the Gazebo on March 27 at 8:30 p.m. He will speak and show slides and films, touching on, among other things, Crime in Alberta. The community and any interested individuals are asked to come. This being the RCMP's centennial year, should make this meeting very interesting. So far the response to being very good, the WI was told.

The church basement has been booked for the cash bingo and bake sale, the Calahoo WI are sponsoring on April 26, with all proceeds going to cancer research.

Being without a speaker president Betty Albrecht referred us the 12 questions for study in the Worth report on Education. Prolonged discussion followed with unanimous yes and no's to some and divided opinions on a few.

Elsa Lischewski won the door prize, was brought by Toni Christen.

A pleasant visit ensued during lunch. Mary Daiheim brought the scrapbook that contains the history of Calahoo for all to see before taking it in to Mrs. McMillan to be entered into the Tweedsmuir competition. The neatly compiled book certainly should gain recognition. If so more will be added and an effort made to have it published in order to sell copies of this history of Calahoo. An AWI pin was presented to Anna Carly for one year's regular attendance.

The next meeting will be held at Mrs. F. Lischewski's home on March 21 at 8:30 p.m. with the subject

cultural activities and the roll call: Femies for Friendship and tell a joke. This meeting was put ahead so as not to interfere with the open meeting March 27th.

Alcomdale 4H News

By Mary Mensink

The Alcomdale 4H Clothing Club held their sixth business meeting on Feb. 14 at the home of Mrs. Byer. Twelve members were present with Helen Busenius leading in the pledge. Under new business it was discussed on what day to have public speaking, and the group finally decided on March 16 at 7:30 p.m. in the Independence Hall. Everyone is welcome.

It was also decided to change the next meeting to the first Thursday of the month and the meeting after that on the second Thursday of the month. This year bowling is on March 11 in St. Albert, at 9 a.m. The members who choose to go

Sturgeon Valley 4H Plan April Meeting

The annual meeting of the Sturgeon Valley 4H Dairy Club was held Tuesday, March 6. Business was discussed and left-over prizes from our bingoes were auctioned off. Thanks go to those

people who donated prizes for our past bingos and these were greatly appreciated.

The public speaking meeting will be held Tuesday, April 10.

Family honours Julia Lesburg

Julia Lesburg with her four children on the occasion of her 80th birthday, from left are Albert Lesburg, Clara Behelis, Mrs. Lesburg, Madeline Kremer and Dorothy Brosseau.

A family gathering of more than 90 people was held recently in the Villeneuve Hall to honor Mrs. Julia Lesburg on the occasion of her 80th birthday.

Mrs. Lesburg came to Canada in 1910 from Brugge, Belgium with her parents, Mr. and Mrs. Rene Victor, two sisters and four brothers. The family settled in Riviere Qui Barre.

On April 9, 1918 she married Joseph Lesburg in St. Emerence Church in Riviere Qui Barre and they lived on the farm at Villeneuve until their retirement to Edmonton in 1947. In 1968, Mr. and Mrs. Lesburg celebrated their golden wedding anniversary. Mr. Lesburg passed away on April 30, 1969 at the age of 81.

Mrs. Lesburg's four chil-

dren - Mrs. Madeline Kremer, Mrs. Dorothy Brosseau both of Edmonton, Mrs. Clara Behelis of Morinville and Albert of Villeneuve and many of her 24 grandchildren and 13 great grandchildren attended.

An enjoyable evening was spent visiting with Mrs. Alice Ringuette of Bonnyville, Mr. and Mrs. Cyril Victor of Picher, Mr. and Mrs. Omer Victor of Edmonton, Mr. and Mrs. Charles Victor of Villeneuve who had come to help celebrate their sister's birthday. Mr. Joseph Verhulst of Edmonton, brother-in-law, Mr. and Mrs. Edward Lesburg of Morinville were present as were a large number of nieces and nephews with their young families. Dance music was provided by Henry and Kathleen Kolesar and sons, aided by Lucille Victor, Alfred Victor and Oscar Lesburg.

At the lunch hour, Rene Victor, capable M.C. congratulated his godmother on this happy occasion. Charles Victor delighted everyone when he sang the Belgian anthem and an English song as an encore.

Mrs. Bertha Dubois presented her Aunt Julia with a lovely bouquet of flowers. Rene Victor presented the guest of honor with an Ikora Ware tray, suitably engraved for the occasion, from everyone present. Paul Fekete, on behalf of Clara and Oscar Beheli and sons, Sharon and Doug Brinson and Paul and Gwen and family presented grandma with a lovely travelling case which she will be using on her forthcoming trip to Hawaii.

Jos Behelis, the eldest grandchild, on behalf of himself and his wife Zona and two sons, gave her a beautiful gold brooch watch. Mrs. Lesburg thanked everyone very sincerely for having come to help make this birthday such a memorable occasion. A large birthday cake was carried in by Paul Lesburg, and a few of the younger generation gathered round in case grandma should need some help with the birthday candles. A fitting climax to a lovely evening.

Reg Austin Reports On R.E.A. Meetings

REG. E. AUSTIN

Secretary-treasurer and a director of the Alberta Union of Rural Electrification Associations, Reg Austin of Coronado reports to The Gazette that while attending meetings in Southern Alberta to report on the rate increase hearings between Calgary Power and the Public Utilities Board, he found farm power users very interested in the reports presented to them on what had taken place so far at the hearings.

Funds for obtaining legal

and consultative assistance at the hearings are being provided on a no-interest loan basis at present to the Union of REA by the Alberta Government. Costs to the union could go as high as two hundred thousand (\$200,000) dollars.

While travelling to attend the meetings, Mr. Austin reports seeing widespread damage to power lines from icing conditions on the power lines. Some farmers reported power interruptions for three days and not back on at the time of the meetings.

Alberta Power and Calgary Power had brought in extra crews in an effort to restore the lines as quickly as possible. Considerable inconvenience was being felt by dairymen, livestock feeders and others. Farmers stated that it was fortunate the weather continued mild while the power was off.

Further informative meetings in other parts of Alberta will be taking place in the near future.

Ottawa Report

DAN HOLLANDS, M.P. PEMBINA

During the past two months we here in Ottawa have listened to the Speech from the Throne, The Budget Address, a debate on Capital Punishment and debates on the Unemployment Insurance Commission.

It has been a listen and learn time for me. I served for some time on the Miscellaneous Estimates Committee involved mostly with the Department of Manpower and Immigration.

The Government, with the help of the NDP was determined to remove the ceiling on the Unemployment Insurance Commission funds from \$800 million to an unlimited amount. This in fact means, that no longer will there be any requirement for the Government to approach Parliament for funds or give an accounting of the amount spent on this program.

The LIP Program, while providing for some very worthwhile projects in different areas, has caused problems and frustrations in many communities. The applications far exceeded the funds available under the program. Many worthwhile community projects were refused for this reason. This program it seems to me, means one thing in Western Canada and another in the East. Please note "Weekend Magazine, March 10, 1973."

Last week the Electoral Boundaries Commission published their report on Redistribution in Alberta. The Commission based its report on the total population arrived at in the 1971 (1,827,874) census divided by the allotted number of constituencies in Alberta (19). The population of Pembina is 82,646. This figure is supposed to be by using a 25 per cent tolerance figure up or down, the maximum

being 107,098 and the minimum being 64,258.

The Pembina riding is effected in the following way. The constituency basically surrounds Edmonton. The Ottewill area of Edmonton becomes part of Edmonton South. St. Albert is added to Pembina, as is part of the Winterburn area west of Edmonton. The area north and east of Rochester becomes part of the Athabasca Constituency as does all of that area north of Fawcett.

I will be making representation to the Commission on April 3 in Edmonton. Should anyone have any suggestions please do not hesitate to write me, c/o House of Commons, Ottawa.

Femmes Chretiennes discuss Congress

By Lucienne Montpetit

Les Femmes Chretiennes held their meeting March 5 with special guests "their husbands." Meeting was opened with a prayer led by Father Bissonnette.

The president thanked the ladies who helped for the blessing of the babies ceremony. She encouraged everyone to attend the Congress April 25 at Vimy. Names and registration fees of \$5 should be paid by April 5. Two youth representatives would be asked to attend and their fees will be paid by the local. Mrs. Maurier also thanked the ladies who represented Legal at the meeting in Morinville.

The president confirmed that Wally Klatt, DA for Sturgeon, would come and speak on landscaping and gardening etcetera on March

27 at the Rec. Centre at 7:30 p.m. The public is invited to attend.

Father Bissonnette played the recording of Love Life and the Ten Fruits of Wives and Husbands. Groups were formed and questions were given to answer, then

NAMAO NEWS

By Norma Crozier

Namao Mothers-Take-A-Break group at their meeting on March 6 had Madeline Kashuta speak on mental health. Everyone enjoyed her very much. On March 20 a hair stylist will give a demonstration and a meeting will also be held. On March 27 for the last gathering Mrs. Williams will be out from TOPS speaking on weight control. A draw will be made for a door prize at this last meeting.

Congratulations of the district to Mr. and Mrs.

a vivid period of discussion followed keeping Father Bissonnette on the "Hot Seat" with questions.

A delicious lunch was served and discussions continued finally ending a very informative meeting. Next meeting April 3.

Lindsay Rye on the birth of grandchild number five, Carla Christine born to Mr. and Mrs. Arthur Boorse (Brenda Rye) of Edmonton. She weighed in at 7 lbs. 1 oz.

Welcome to Mr. and Mrs. Clare Agar and son Ron who have moved into their new home at Noroncel Acres and also to Mr. and Mrs. David McCracken at Noroncel Acres.

On Tuesday evening, March 6 a combined service was held at the Protestant Chapel at Lancaster Park to observe World Day of Prayer. Taking part were the Namao Choir, with Mrs. Doris Clapp playing the organ and the congregations from Namao, and the Catholic and Protestant Churches of Lancaster Park. Miss Diane North, who has been nursing in Africa was guest speaker. Coffee was served.

Get well wishes of the district to Bob Kindelmann who is a patient in the University Hospital and to Ron Horricks who had back surgery in Royal Alexandra Hospital.

The combined congregations of Namao, Ben Accord and Patreila will hold a pot luck supper in the Namao Hall on March 17 at 5:30 p.m. This is a family evening, everybody is welcome, bring anything for the supper and wear a bit of green.

KREMER & KREMER
Ph. 256-3043
MORRISVILLE

The Local Association for Guide and Brownie mothers will be held in the clubroom on March 20 at 7:30 p.m. With the guide and brownie camp tea coming up on March 24, this would be a good time to turn in those stamps and blue girls.

stamps and blue bottles you've been saving for the girls.

A miscellaneous shower honoring Connie Mulligan, whose marriage to Doug Crozier takes place on April 7, will be held in the Clubroom on March 26.

A first aid ambulance brigade for the Bon Accord, Gibbons district has been formed with a minimum of 12 members signed. Members are Mable Veran, Linda Fearley, Dave and Glenna Brennan, Clarence and Marg Sullivan, Tom Hill Bryan Tilton, Nigel Mansfield, Tom Brown and officers Ruby Lampkin, Doreen Boyse and Jim MacDonald.

For those who wish to sign up for the Volunteer Fire Brigade, application forms are available at the Village Office or from Nigel Mansfield.

A sport social honoring the senior hockey and basketball teams will be held on Saturday, March 31. Music will be by Ken Raske's orchestra. Dancing from 9-1, lunch at 11, refreshments from 8 on. Price per couple only \$5. Tickets for both the foregoing dances may be obtained from Doreen Hewitt.

Elmer and Anne Brennan have returned home from a holiday in Niland, California.

Twenty-one cadets from #524 squad enjoyed a weekend at Camp Wright, Athabasca. Accompanying the boys were officers D. Loblick, H. Bowditch, L. Moore and M. Lerner and civilian committee members T. Ferbey, J. George and Wm. Carleton. The group was flown to camp in Otter aircraft by #418 Squadron. Activities enjoyed by the boys were ice fishing, tying rope knots and making signal fires. On March 27 there will be a meeting for all

parents of cadet-age boys at the Bon Accord Community Centre. You are invited to come and meet with the officers and civilian committee.

Attention all you bingo lovers! Starting Sunday, March 18, from 7 - 9:30 p.m. cash bingos will be held in the BA Community Centre every Sunday evening. Tickets are \$1.50 for 10 games with extra games free.

Dean and Kay Lewis are on a flying trip to visit brother Dale in St. Petersburg, Florida where Dale has been playing hockey. All three will return by car shortly.

Get well wishes to Mr. Jim Russell who is in the Calgary General Hospital. Jim was preparing to return home after a winter spent receiving hospital treatment when he fell, cracking several ribs.

A warm welcome is extended to new residents of the village, Mr. and Mrs. Lehman, Mr. and Mrs. Weber, Mr. and Mrs. Donahue and Mr. and Mrs. Chester McBride and to Mr. and Mrs. Karl Kaesekamp, new owners of the R. G. Jenkins home.

Deadline for signing the petition for toll free service with Edmonton is March 21. If you are in favor make sure your name is on the petition before cut-off date.

Gibbons 4H Garden Club

By Judi Demers

On March 6th the fifth meeting of the Gibbons 4H Garden Club was held at the home of Albert Goutbeck. Tickets were handed out for the Rodeo.

March 11 found members curling or bowling at St. Albert. Keep March 31 open for the annual rummage sale held at the Gibbons Hall from 1 to 4 p.m. Tea will be served at 2 p.m.

Correction on our public speaking competition date. It is March 20 at the Gibbons Sunday School at 7:30. Lunch will be served and everyone is welcome.

By Sam

Cindy Noelle has taken up residence at the home of Jim and Karen Hogg. She arrived Saturday, March 3 at 4:15 p.m. and announced with all 7 lbs. 10 oz. that there will be plenty of changes made.

Mrs. Beatrice Schwanke and Katie Mabbutt attended the Anglican Church Synod held at Providence House, Edmonton last week.

Mr. Jack Williams has returned from his winter holiday in Long Beach, California.

Get well wishes are extended to Mrs. Cec. Moore a patient in the Royal Alexandra Hospital.

Friends of Mr. Charles Brumfit are cordially invited to be present at the celebration of his 100th birthday, Sunday, April 1, 1973. Tea will be served from 2 p.m. - 5 p.m. in the Community Hall.

The Last Roundup Senior Citizens Club held their regular meeting March 8 with 32 members present. Mrs. Agnes Michaud presented the club with a lovely poster depicting the pioneer days. The MD of Sturgeon #90 recreation assistant director Mr. L. Coulombe informed the club of the New Horizons grant they may apply for, which the club is now applying for. The entertainment commit-

Gibbons Notes

tee of Steve Lamoureux and Joe Hostyn had the group playing a fun filled afternoon of Court Whist. Winning ladies first was Mrs. Knight and consolation was Reta Mabbitt. Mens first went to Doug Hood and consolation to Jimmy Shaw. The ladies door prize was won by Mrs. Logan and mens door prize Charles Brumfit. Next party is March 22. All senior citizens over 60 welcome.

The ACW held their election of officers for 1973 at the past meeting held at Yvonne Mabbitt's home. President, Mrs. E. Mabbitt; treasurer, Mrs. Y. Mabbitt;

sident, Mrs. E. Mabbitt, secretary, Mrs. Y. Mabbitt, treasurer, Mrs. B. Schwanke; card secretary, Mrs. E. Oliver; family life, Con-

nie Roberts; prayer partner Mrs. K. Mabbitt. Church services are every Sunday at 9 a.m.

The bantams played an exhibition game against Legal, March 7, tying the score 5 - 5.

The Local Association will be holding a St. Patrick's day tea and bake sale Saturday, March 17 at the Community Hall from 2 - 5 p.m. Bring an Irish friend to tea.

Mr. and Mrs. Archie McLellan and family are new residents having moved into the Lario's house.

Registration for boys and girls ball teams will be held at the Community Hall, March 17 from 1 - 4 p.m. Parents must register children and bring birth certificates.

MORINVILLE MEMOS

By Flo McGinnis

The Morinville Sports Association has organized a joint meeting with the Recreation Board, Curling Association, Frontier Daze Association, and Town Council members in regards to "artificial ice" for Morinville. The meeting will be held at 8 p.m. on Wednesday, March 21 in the Recreation Centre. This is a much-talked-about subject and a much-required item so the Sports Association is hoping for some good results from the discussions to be held that night. There also will be the item of amending the fiscal year, on the agenda.

Senior Citizens Rendezvous Club is looking forward to a good turnout at their Whist Drive and Bingo on Friday, March 16. Don't forget it is at 8 p.m. and everyone is welcome to the "Hit." Birthday wishes going out this week to Senior Citizens: Arthur Hule on March 17; Arsene Riopel on March 19; and Joseph Tellier on March 20.

Mr. and Mrs. Eugene Caron have recently returned from a very enjoyable two week trip to Hawaii, looking very rested and refreshed. During Eugene's absence Herman Bauwens was driving the school bus.

Wednesday evening Feb. 21, the Morinville brownies and guides made a trip by car to Legal for their Thinking Day celebration. After the display of colours by the packs of both towns, Morinville was entertained by Legal with their displays and descriptions of "Brownies From Other Lands." The costumes and displays were very interesting and enjoyed extremely by the Morinville group. The area commissioner, Mrs. Pauline Vaugoules led them in song. A lovely birthday cake was viewed by all, and after singing happy birthday to one, it was sampled by all. After songs, Taps, and prayers, refreshments were served.

The Morinville Leaders would like to thank the two mothers who drove their cars to and from Legal; Mrs.

Ladleur and Mrs. Garneau.

On Thursday, March 8 there was another broomball game in the Morinville arena, this time between the Morinville team and the Edmonton City Police. The City Police came out on top again with a score of 7 to 1, but not without a hard fight. The gate receipts of \$45 go as a direct contribution toward "Artificial Ice."

This time there was a hockey game on the program too, featuring the Powder Puffs vs the Shavers. The Powder Puffs, featuring very chic in the equipment borrowed from the pee-wees, were 'very active' to say the least. Unfortunately they were not in top condition for this very important game and were only able to put one goal in the net. Final score: 4 - 1. In favor of the shavers. This was only the second loss this season for the Powder Puffs, and it's ironic that it should have been the shavers who beat them both times. It has been reported that perhaps the Powder Puffs don't know all the rules, but this has not been confirmed yet.

April 7 will see the annual Sportsman's Dinner being held in the Recreation Centre. Mary Hittinger, secretary of the Curling Association reports that tickets are now available from any executive member. This event is sponsored jointly by the Morinville Sports Association and Morinville Curling Association.

Sgt. Bob Ringrose sends word from Vietnam that "All is as well as can be expected."

He is not in the firing line, but everything is pretty well hectic anyway since the organization is not up to par. Bob asks that we say "hello to everyone, and send a special thanks to all the folks that have been so kind to Jean and the family. It is really appreciated, see you all soon."

Dave Kryskov was called up to the Chicago Black Hawks last week, and in the game played on March 8 he scored his first NHL goal. It was the Black Hawks' only goal in the 4 - 1 loss to Los Angeles Kings, played at Los Angeles. On Saturday, March 10 Ed and Anne Kryskov flew to Vancouver to see their son Dave play his first NHL game in Canada. The Chicago Black Hawks won 4 - 2.

Frontier Daze Association Secretary, Claudette Turgeon reports that this year's raffle tickets will be out early next week. The proceeds this year will go for "artificial ice," and take note of this: The prize is a Trip for two to Hawaii, plus \$300 spending money!

There is a prize of \$100 to the person who sells the most tickets too. This is a good chance for a club or organization to make an extra \$100 for themselves, if they wish to work at it. Contact Claudette Turgeon for further details.

Frontier Daze Association are holding regular meetings on the second and fourth Tuesday of every month and plans are progressing well for the 1973 Frontier Daze on June 23 and 24.

Morinville Parish Supper All Set For Sunday April 1

By Flo McGinnis

The parishioners of St. Jean Baptiste are once again hosting their annual parish supper and inviting one and all to join them for an evening of good food, good companionship, and good enjoyment.

This supper has been a tradition for many years now, and on Sunday, April 1st family and friends will join together in goodwill. Years ago, on the day of the "chicken supper" (as it was called) you would see every family in the parish

bringing a roasted chicken, potatoes, pies, various vegetables or some other tempting dishes. At times, preparing and setting out such a supper could become quite a hectic. Now, with modern times, modern conveniences, and modern facilities, it has changed somewhat, but the true spirit is still there.

The Parish Council itself now does all the organizational work, collecting donations from the local businesses and parishioners alike, buying the food in

bulk. All preparations for the meal are done by volunteer workers, according to a pre-planned menu. The menu nearly always includes Fried Chicken, Meat Balls, Mashed Potatoes, Salads and all the trimmings.

After this huge meal there is even more! The evening includes a Fish Pond, musical entertainment, and a Cash Bingo too. So the Parish Supper is not just "something they have every year."

Now, for those of you who know all about this annual event you are likely wondering why I have gone this far in explaining everything. Well, it's part of my 'communications kick.' In our fast-changing times there are a great number of newcomers to the area that do not always know what 'this is' or what 'that is.' To be honest, when I first came here I thought that this annual supper was for parishioners only, and this is really the first time that the whole thing has been fully understood.

Communication is part of understanding and getting along together!

Gibbons Lion Club to host big night

Gibbons Lions will host Zone banquet and dance on March 23 when attending clubs will be Bin Accord, Morinville, Clyde and the St. Albert Supper and Breakfast Clubs. All clubs are participating in the arrangements with District Governor Rock Holman, guest speaker.

Special favors will be presented to the ladies and if they wish, they will be able to "fussy up" for this event as dress is semi-formal.

Ticket allocations were made to each club with all Gibbons Club tickets now committed. Lions may bring guests where tickets are available. If any further information is required, please contact Lion President Earl Toane of Gibbons.

Gibbons Lions Club thanks Ann Ranson, carnival queen

candidate, for a job well done.

On April 16 the Lions will hold their annual ham bingo at Gibbons Community Hall from 8 p.m. The bingo features a prize for advance ticket sales plus a door prize.

There will be 22 lip-smacking hams, plus four bacon sides, guaranteed to titillate the winners' taste buds. For tickets contact Lion Nick Konorsodo or Lion Norman Knott, or any club member. See you there!

Visiting Lions enjoyed Ghost Town slides, shown by Lion Art Stapleton on March 12. Guest Lions and their ladies arrived from Morinville, Bin Accord and St. Albert.

The Gibbons Lions thank Ann Ranson, carnival queen candidate for a job well done.

Leo 'Spike' Flannagan Heads Frontier Daze This Year

By Flo McGinnis

A native of Halifax, N.S., Spike joined the Canadian Forces in 1951 and in the spring of 1971 was transferred to CFB Nanaimo from the base at Rivers, Manitoba. In June (during Frontier Daze), Spike, his wife Mary, and their two daughters Sylvia and Bonnie became enchanted with Morin-

LEO "SPIKE" FLANNAGAN

ville and decided to make this their home. The Flannagans have just recently purchased their own home on

Bolsvert Street.

Since coming to Morinville the Flannagans have become very active community workers. Mary is the president of the Mothers' Local to the Guides and Brownies, Sylvia teaches United Church Sunday School while Bonnie is in figure skating and the girl guides. Spike is a member of the board of directors of the Morinville Legion Branch 176, and was recently elected chairman of the Morinville Frontier Daze Association.

LETTERS

The Editor:

In view of the fact that only last September, due to their supposedly restricted finances the Sturgeon School Board cut the staff of Bon Accord by one primary teacher, surely it cannot be planned on moving into new offices in the Cunningham School at Morinville with a proposed renovation cost of \$80,000. If the school board are really guilty of such irresponsible actions, perhaps it is time the ratepayers of Sturgeon should look again at the County system whereby we would be assured that our admini-

stration costs would not be added to by two sets of offices.

With the annual meeting slated for March 19 at Sturgeon Heights School, it is certainly in our best interest to turn out in force and get some answers as to how our tax money is being spent. Do you realize that \$80,000 is approximately four times the amount spent on recreation throughout the municipality last year? That it is also equivalent to four mills on your taxes?

Think about it!

Mrs. Hugh Allen.

Pioneer Woman passes in Legal

By Lucienne Montpetit

Funeral services were held March 5 for Mrs. Marie Montpetit who passed away March 1 at the Immaculate Hospital in Westlock, at the age of 85 years.

The funeral mass was celebrated by Father Roland Bissonnette. Honorary pallbearers were Les Femmes Chrétiennes, and pallbearers were George Bolsvert, Richard Bolsvert, Guy Langlois, Roland Montpetit grandsons of the deceased, Leo Pelletier and Arthur Bergvin, nephews.

Née Marie Montpetit at St. Etienne de Beauvais P.Q., in 1887, she married Horace Montpetit at St. Joseph d'Orléans in 1912.

The young couple came west and settled on a farm southwest of Legal. They raised a family of five children and stayed on the farm till Mr. Montpetit's tragic death in May, 1943. Then she moved to Edmonton and

her son Robert took over the farm. Mrs. Montpetit returned often to Legal to visit with her friends. Three years ago she came to live at the Chateau Sturgeon.

She was predeceased by her daughters Lucienne in 1930 and Bertha in 1972.

Mrs. Montpetit leaves to mourn her loss, one son Robert, Kelowna, B.C., two daughters Mrs. B. (Simone) Langlois, Mrs. R. (Annette) Bolsvert, Edmonton; 12 grandchildren and three great grandchildren, one brother Joseph and one sister Mrs. Angeline Charette Ottawa.

The family wish to express their sincere thanks to their relatives and friends for their mass offerings and expressions of sympathy. Special thanks to Les Femmes Chrétiennes, the choir and the ladies who prepared the lunch.

Municipal District of Sturgeon No. 90 Annual Electors Meeting

Take notice that the annual meeting of the Electors of the Municipal District of Sturgeon #90 will be held at 1:30 p.m. in the afternoon on Saturday the 24th, day of March 1973 in the Municipal office at Morinville, Alberta for the discussion of municipal affairs.

Surprise move by Board marks Education Week

Education Week in Legal School was ended by several activities. On Thursday teachers and students invited the parents to an education night. Many parents came to see displays of art, participate in interesting debates, enjoy gymnastics displays, view a Greek dance and chat with teachers and students over a cup of coffee and lunch.

Activities were continued Friday afternoon, when students from two social classes, with the help of Walter Zimarski, "Took over the School." Chairman Mr. Harvey St. Onge, along with the other members of the board, came to the school and mysteriously fired the principal and the teaching staff.

A new principal and a completely new teaching staff from the Social 10-20 class were appointed to teach regular classes that afternoon. The students actually traded places with the teachers. The most amazing

thing about the afternoon was that none of the teachers or students knew what was happening except those who were organizing the event.

The expressions that afternoon varied from shock to hysteria. The ex-teachers and school board members enjoyed being very naughty students. Many of them were

almost expelled from school. At approximately 3:15 p.m. Mr. Harvey St. Onge rephrased the teaching staff and thanked the temporary teachers. Everyone agreed that the afternoon was a very enjoyable and an educational event.

Another activity of education week was a poster con-

test. Prizes were awarded to the two best posters of each class. The winners were 1st Germaine Pelletier, Darlene Smith, Christine Frank, Marie St. Jean, Sharon Dube, 2nd Angelina Auger, William Fenski, Elizabeth Dobliano, Denise Maurier and Carmen Nault.

District Communities Get New Horizons Grants

Among the third group of New Horizons grants awarded by the National Health and Welfare Department, Ottawa were three Alberta communities located within the St. Albert region.

In Namao, the '60 Plus Club' was awarded \$1,925, the Happy Sixties Club of Villeneuve received \$210 while in Calahoo, the Golden Age Club there got a grant of \$260.

The Namao 60 Plus Club, a group of about 70 senior

citizens now have club rooms in the community hall and the New Horizons grant of \$1,925 will go a long way toward furnishing their premises. The Namao 60 Plus Club meets twice a month and enjoy a wide assortment of 'Interest' programs and social functions. Besides furniture, fixtures and added facilities, the active senior citizens plan to add a few more games to their club rooms, such as a pool table and a shuffleboard.

In Calahoo, the \$260 grant has already been budgeted by the Golden Age Club. This energetic group of senior citizens have earmarked their grant toward adding furniture and fixtures to the Gazebo. Table bases have been purchased, along with materials for table tops. Paint with which to design floor games has also been carefully budgeted out of the grant. The Sport Club received \$100 of the grant and thereby volunteered to make the five new tables and put up cupboards. There was enough money left over for a dartboard and coffee urn. Mrs. Pete McLeod told The Gazette that everyone in the community was pitching in to make the grant money stretch as far as possible.

The patron saint of ice skaters is Saint Luwina, whose feast day is April 24. Born in Holland in 1380, she suffered a skating accident which left her crippled.

In the United States, three persons out of 100,000 live to be 100, National Geographic says. In the Soviet republic of Azerbaijan, the rate is 63 per 100,000.

5 People split \$2000 at Legal Dinner Plate

By Lucienne Montpetit

Legal has again realized a successful \$25 dinner plate in support of the community hall.

The board of directors are to be commended on the organization of this annual dinner. Hours and hours of preparation and planning go into such an event. Doors opened at 7 p.m., with dinner served from 7:30 - 9:30 p.m.

Due to the efficiency and co-operation of the ladies, 460 people were fed within the two hours.

The evening program got underway at 8:30 with Walter Van de Walle as master of ceremonies. The first ticket was drawn around 9:15 p.m. and the draw finalized at 12:15 a.m. Tension mounted till the last five names remained uncalled.

The five persons were called to the stage and agreed to divide the \$2,000 in prize money. The lucky winners were Ernest Pelletier, Bill Stapleton, Henry Montpetit, Leon Brisson and

Laurent Champagne.

Omer Maurier being the first name pulled out of the drum received a \$25 consolation prize. The other \$25 consolation prizes were won by Bill Chesters, Edmonton; Gerald Durand, St. Albert; Raul St. Jean, Ronald Bolsvert, Albert de Champlain, Guy Woywitka, Wilhem Stebert, Walter Van de Walle and Leo de Champlain. Refreshments and snacks were available all evening to contend with everyone's thirst and hunger.

The board of directors of the Legal and District community centre would like to extend their sincere thanks to everyone who has in one way or other helped to realize such a success, and particularly the ladies who prepared and served the delicious meal.

Plans are already being made for the next dinner plate with the hope that such community spirit and co-operation will again be shown.

Gibbons Teen Club

By Gary Noel

The Gibbons Teen Club would like to thank everyone who helped them by supporting the dance held on February 16 in connection with Snowball '73. The dance was a great success. Congratulations to Peggy Williams who was crowned queen and also to her attendants.

On March 7, Laurent Coulombe assistant recreational director for Sturgeon was a guest at the Gibbons Teen Club. A discussion was held on several topics, such as: referee clinics, judo classes, films, lawn bowling and summer camps. Our thanks to Laurent for attending and giving us so much added information.

The Gibbons Teen Club is the recipient of a shuffleboard, thanks to Mr. Joe Krupa. This shuffleboard will be used by the school.

"SOMEONE CARES"
On March 21 the grand-

parents are invited to see the teens in action. You can join them to six games of bingo 7:30 to 8 p.m. Then you might be challenged to a game of ping pong, shuffleboard, bowling and curling or just watch the teens chase that ball. Please show your grandchildren that "Someone Cares."

District Couple mark Golden Wedding day

Mr. and Mrs. Ben Pollard celebrated their Golden Wedding Anniversary with a family gathering at the farm seven miles east and two miles south of Gibbons on Monday, March 5. Mr. Pollard also marked his 82nd birthday on the same day.

Their six children were able to attend this happy and important event: Leonard Pollard of Radway, Enid Dzusman and Joan (Mrs. Doug) Anderson, of Edmon-

ton; Dora Ann (Mrs. Lewis) Young of Beaverledge, Bill, on the farm and Joe, of Edmonton, along with their wives and husbands and a number of the grandchildren. The Pollards have 18 grandchildren and five great grandchildren.

They were married on March 5, 1923, in Fort Saskatchewan, where Ben was employed as a guard at the Gaol. In 1935 they purchased the farm in the Gibbons area, and since their retirement have continued to make their home there. A delightful visit with the family reunited and presentation of gifts highlighted the celebration.

Coronado group of ladies making feather flowers. Shown far left is Mrs. Della Thimers, instructor, and part of the group of enthusiastic ladies.

Horsehills, Coronado Ladies Enjoy Making Feather Flowers

Mrs. Della Thimers classes on flower making and novelty items at Coronado and Horsehills have proved to be very popular. When we recently visited Coronado everyone was busy making feather flowers.

We learned that feathers were not only "feathers" but fluffs, T. bases, hackles and saddles. Ladies were using a styrofoam ball as a core and feathers were shaped and inserted into the styrofoam to create a flower.

Snowball mums were made by curling the feathers with the blunt edge of a pair of scissors. Roses were made by cutting and shaping the feathers to conform to the shape of an unopened rose and inserting them into

styrofoam. Bright green feathers were added to the bottom of the flower to represent the calyx. Other flowers taught in the course are Diply, Chentille, Fake Fur and Bread Dough as well as novelty items made from chenille and fake fur. At the conclusion of this class the ladies hope to begin a basic course in upholstery.

New classes starting in the MD of Sturgeon are cake decorating and physical culture at Gibbons and a class for babysitters under the auspices of the Alberta Safety Council. This latter class is of six weeks duration and deals with the ethics of babysitting, child care, first aid, fire and safety. An examination is written at the end of the course and students receive a graduation card. Any other community wishing to start a similar course should call the recreation department.

A primitive pottery course will also begin at Gibbons soon. Registration fees for adult classes is \$2 per course plus materials and \$1 for children and students, plus materials.

A yoga training session will be held at Edson on April 7 and 8 for prospec-

LEGAL LOCALS

By Lucienne Montpetit
Annual meeting of the Village of Legal will be held on March 19 at 8 p.m. at the Municipal Building.

Congratulations and best wishes to Mr. and Mrs. Remi Bolle who exchanged marriage vows in Barrhead on March 9.

Legal Oldtimers played hockey in Edmonton last Thursday winning over St. Angela's by a score of 13-3. Sunday they played against St. Albert and defeated them in a very close game by a score of 4 - 3. "To bad it's the end of the season cause you're really getting in shape.

A warm welcome is extended to Mr. and Mrs. Rimpel and family also to Mr. and Mrs. Leonard Wells who have moved in our community.

Deadline for tickets to be purchased for the senior hockey banquet is March 20. They can be obtained from Leon Brisson, Omer Pelletier, Rene Maurier.

ier, Mr. and Mrs. Eddy Rivard, Mr. and Mrs. Harvey Ouellette, Mr. and Mrs. Paul Rochoon and Mr. and Mrs. Clement Cloutier flew to Las Vegas for four days. Taking advantage of Vegas' "night life" it added two

five instructors. Physical culture or other similar background is desirable. Anyone interested may telephone the recreation department for more information.

T. Ruth McCullough and Mrs. Jean Smith, aris and crafts coordinators, MD of Sturgeon. Telephone 256-3321 or direct city line - 424-6276.

days to their holiday. The couples really had "A Ball."

For many years the teachers and pupils of Legal School took pleasure in presenting the Concours Oratoire. This year instead of the Oratory Contest the school will present a French Variety Concert entitled - Festival de Chansons Francaises; featured will be recitation, choral speech, songs etc. It is hoped that all parents and other people of the community will come to encourage the pupils on March 18 in the school gymnasium. "Nous vous attendons en foule au gymnase de l'ecole dimanche le 18 Mars a 8 p.m.

The 524 Squadron made up 10 of our local boys flew to Camp Wright (near Athabasca) for the weekend. It was a very exciting and successful outing. Anyone sighting an Otter buzzing Legal on Sunday afternoon this was our cadets on their return to Nomaq. Their next venture will be held on March 25 when they will attend the Edmonton Boats. Boys between the ages of 13 to 18 or grade 8 are interested in joining cadets please phone 598-3796.

Anyone 14 years and over wishing to take a St. John Ambulance First Aid Course should contact Lucienne Montpetit, 598-3880 or Mrs. Leo deChamplain 598-2197, before March 20. Registration fee is \$10 and the course provides nine two-hour sessions.

The brownies held their regular meeting at Chateau Sturgeon last Wednesday and wish to thank the senior citizens for their warm reception.
